

Maintenance Information:

- **Approximate total number of rounds fired:**
- **Approximate number of rounds between cleaning:**
- **Type and frequency of lubrication**

Other information:**Terms and Conditions:**

- **Customer pays shipping charges when returning product to ArmaLite.**
- **ArmaLite pays return shipping charges only for warranty repaired product.**
- **For all other repairs/service, customer pays all labor/part costs including return shipping charges and is required to provide ArmaLite, Inc. with account number/payment information prior to return shipment.**
- **Take all personal/ancillary items (such as scopes, slings, etc.) off the firearm when shipping to us.**
- **Do NOT send live or spent ammo with rifle. It is illegal to do so.**
- **Return shipping address must remain the same as the address given on the RMA form. We cannot ship to an alternate address.**
- **When sending in your firearm, send only one magazine for test firing.**
- **Once the RMA number has been issued, you have 14 days to send your product in.**
- **Accuracy issues must have a test target included with the rifle.**
- **Warranty service will be at the discretion of ArmaLite.**
- **Only rifles originally built at ArmaLite are warranted. Service on rifles built by customers, modified rifles or non-ArmaLite rifles will be subject to the cost of time, material and return freight.**
- **Warranty is non-transferrable. Proof of purchase IS required for warranty service.**

I have read and understand the terms and conditions as stated above.
